

# NTSDE's Expectations of Students

Students enrolled in any subject at NTSDE are required to comply with the following expectations:

- Students will complete the Learning By Distance Moodle course.
- Students will check their ntschools email account on a daily basis.
- Students will undertake a minimum of one scheduled contact lesson (between 30 to 45 minutes) in all of their subjects each week.
- Students will undertake a number of hours of study per week in each subject in addition to their weekly contact lesson.
- Students will regularly submit work to NTSDE in each of their subjects.
- All assessment tasks submitted will be the work of the individual student in accordance with the Assessment Declaration signed by each student.
- Students should contact their teachers when they need assistance.
- Students are required to properly care for all books and equipment on loan and undertake to return all NTSDE study materials when they are no longer required for their current subjects.
- Students and their parents / guardians will advise NTSDE immediately if they wish to cancel their enrolment or if they are temporarily unable to continue their studies.
- Students will advise NTSDE immediately if their contact details change including their telephone number and postal address.
